## AN INTERACTIVE DINING EXPERIENCE

Pack your appetite, your brightest whites, and prepare to dine, mingle, and dance the night away with Azamara's friendly staff and crew. We take the show outside with our White Night party and buffet by transforming decks nine and ten into a gorgeous alfresco dining event. It's a one-of-a-kind party that's featured on most voyages of seven days or more—weather permitting.

Savor an array of signature dishes made and served by our own officers and crew. Sip on bottomless glasses of boutique wines. Dance and sing along to your favorite tunes long into the night. An experience like this only comes once a voyage, so be sure to grab a seat.

 Azamara White Night party will be featured on most voyages of 7 days or more weather permitting.
